

# ENGINEERING CHANGE NOTICE

<b>DART AEROSPACE LTD</b>		Amendment Design Review (ADR) Yes/No: Yes		<b>ECN #:</b> 931																																																																																																																																																																																																																															
Date: 07.03.07	ADR Date: 07.03.07																																																																																																																																																																																																																																		
Job No: 00056	Created By: CB	Checked By: BH																																																																																																																																																																																																																																	
Product No: D205-564, D430-688	Approved By: MP	Approved By:																																																																																																																																																																																																																																	
Product Name: Bearpaw Installation	(Proj. Manager)	(Management if reqd)																																																																																																																																																																																																																																	
<b>Documents Affected:</b>																																																																																																																																																																																																																																			
<ul style="list-style-type: none"> <li>- release DSI 9328 Rev. B</li> </ul>

#	Engineering Actions	Yes	No	Responsible	To happen by:																																																																																																																																																																																																																														
1	Required Documents/Drawings Under Review?	x		CB	ASAP																																																																																																																																																																																																																														
2	Update Blue/Pink Folder/Electronic File	x		KJ	ASAP																																																																																																																																																																																																																														
3	Update DSI Folder/Electronic File	x		KJ	ASAP																																																																																																																																																																																																																														
4	Update D-Part Master Binder		x																																																																																																																																																																																																																																
5	Update Grey Project Binder	x		CB/KJ	ASAP																																																																																																																																																																																																																														
6	Update DEO/DSI Binder	x		CB/KJ	ASAP																																																																																																																																																																																																																														
7	Update Master Document List (MDL)		x																																																																																																																																																																																																																																
8	Update Document Record (DR) <i>Rev. I</i>	x		CB/KJ	ASAP																																																																																																																																																																																																																														
9	Update Change Record Form	x		CB/KJ	ASAP																																																																																																																																																																																																																														
10	Move Electronic File	x		KJ	ASAP																																																																																																																																																																																																																														
11	Notify TC of Change		x																																																																																																																																																																																																																																
12	Notify FAA of Change		x																																																																																																																																																																																																																																
13	Update QSI 021 (TC/FAA STC)		x																																																																																																																																																																																																																																
14	Update QSI 036 (K-Kits)		x																																																																																																																																																																																																																																
15	Update Accpac Database		x																																																																																																																																																																																																																																
16	Update Access Database		x																																																																																																																																																																																																																																
17	Verification ARC		x																																																																																																																																																																																																																																
18	Update STC Approval List		x																																																																																																																																																																																																																																
19	Update Product Development Summary		x																																																																																																																																																																																																																																
20	Create/Update COSS (Estimate/BOM)	x		JLM/EC	ASAP																																																																																																																																																																																																																														
21	Create/Update PPP's	x		KJ	ASAP																																																																																																																																																																																																																														
22	Update Paperwork Kits in Production	x		KJ/LL	ASAP																																																																																																																																																																																																																														
23	Update Paperwork Kits in Stock	x		KJ/LL	ASAP																																																																																																																																																																																																																														
24	Red Tag Stock with old CHG #		x																																																																																																																																																																																																																																
25	Rework/Scrap Current Production		x																																																																																																																																																																																																																																
26	Rework/Scrap Kits in Stock?	x		LL	ASAP																																																																																																																																																																																																																														
27	Update Qpulse/Laminated Dwgs		x																																																																																																																																																																																																																																
28	Create/Update Controlled PDF Files	x		CB/KJ	ASAP																																																																																																																																																																																																																														
29	Create/Update FAI sheets		x																																																																																																																																																																																																																																
30	Create/Update CNC Programs		x																																																																																																																																																																																																																																
31	Create/Update Tooling		x																																																																																																																																																																																																																																
32	MPP required?		x																																																																																																																																																																																																																																
33	Notify Previous Customers		x																																																																																																																																																																																																																																
34	Notify Eurocopter France		x																																																																																																																																																																																																																																
35																																																																																																																																																																																																																																			
36																																																																																																																																																																																																																																			
<b>Description / Action:</b> <ul style="list-style-type: none"> <li>- DSI 9328 Rev. B can now be sent out with every DSI-9328-011 kit sold instead of sending the D205-564 or IIN-D430-688 install instructions</li> <li>- ensure DSI-9328-011 kit BOM has been updated for these changes, is currently at CHG 002 and the estimate picks the DSI not the IIN</li> <li>- DSI-9328-011 kit now at CHG 002</li> <li>- current stock and current production should include the new DSI 9328 Rev. B</li> <li>- ensure there are no DSI-9328-011 kits at CHG 001 in stock; update to CHG 002 as required</li> </ul>																																																																																																																																																																																																																																			
<i>DSI 9328-011 (4 IN STOCK, 0 IN PROD) (B27161, 30138)</i>
